

Vice-Chancellor of NOU Discusses Collaboration with Rupakot Majhuwagadhi Municipality

Diktel, Khotang – Vice-Chancellor of Nepal Open University (NOU), Prof. Dr. Shilu Manandhar Bajracharya, held an interactive meeting with the Mayor of Rupakot Majhuwagadhi Municipality, Mr. Tirtha Raj Bhattarai, in Diktel, Khotang on March 1, 2025

The discussion focused on potential collaboration between NOU and the municipality to enhance capacity building for local economic development. Various key stakeholders, including ward chairpersons, the Chief Executive Officer, and the Education Officer of the municipality, were also present during the interaction.

The meeting highlighted the importance of academic and institutional support in fostering sustainable economic growth at the local level. Both parties expressed their commitment to working together to strengthen community development initiatives.

Vice-Chancellor of NOU Engages with Manthali Municipality on Education and Economic Development

Manthali, Ramechhap – Vice-Chancellor of Nepal Open University (NOU), Prof. Dr. Shilu Manandhar Bajracharya, held an interactive meeting with the Mayor of Manthali Municipality, Mr. Lawa Shrestha, in Manthali, Ramechhap on March 2, 2025

The discussion centered on collaboration between NOU and the municipality to enhance the quality of school education and build capacity for local economic development. Several key stakeholders, including ward chairpersons, the Chief Executive Officer, the Education Officer, school principals, and teachers, actively participated in the interaction.

Both parties emphasized the need for academic and institutional support to strengthen the education system and drive sustainable economic growth in the region. The meeting concluded with a shared commitment to future cooperation.

After the interaction, the Vice-Chancellor visited Manthali Shahid Smriti Campus and Manthali High School, and interacted with school chairman and teachers.

NOU Vice-Chancellor Highlights Indigenous Knowledge at First National Bamboo Conference

Rupakot Majhuwagadhi, Khotang – Vice-Chancellor of Nepal Open University (NOU), Prof. Dr. Shilu Manandhar Bajracharya, emphasized the significance of traditional knowledge and indigenous technologies in the sustainable utilization of natural resources for economic development. She congratulated Rupakot Majhuwagadhi Municipality for successfully organizing the First National Bamboo Conference, marking a historic milestone.

As the Chief Guest at the closing ceremony, Prof. Dr. Bajracharya felicitated former Minister Ganesh Shah, recognizing his relentless efforts and support in making the conference a success. She also presented letters of appreciation to participating institutions and distributed prizes to the winners of the exhibition.

The conference saw active participation from over 40 organizations, including eight municipalities. A total of 37 exhibits showcased a diverse range of bamboo products, highlighting the potential of bamboo-based industries for sustainable development.
